Holiday Assignment

Summer 2022-2023

Class: VI

*The earth is warm,
the sun's ablaze,
It is time of carefree days;
And bees abuzz that chance to pass
May see me snoozing in the grass*

Theme - Diversity of India

Unity in diversity means oneness in the varieties. India is the best country providing this concept for many years. Despite of different cultures, religions and languages, people of India live together with love and brotherhood.

English Activity Sheet

"The English language is a work in progress. Have fun with it!"

Task 2: Seed Bank: “Save a million seeds this summer

When most people think about banks and saving for the future they think of finances. But to ensure our future is as ecologically rich as today, we need to broaden our horizons and consider saving in a different light.

All the students are advised to save every seed possible and plant and nurture them in creative, recycled pots, reuse plastics bottles (seeds of coriander, tomato, green chilies etc.). Besides this, save the seeds of different fruits like jaamun, mango etc. In order to do that you need to wash the seeds, dry them in shade and keep them safe, check regularly to avoid fungal growth, ultimately plant them at different places during the monsoon (if situation permits). Click pictures; make collage or a short video using different app.

Math Activity Sheet

Math is related to our lives; it teaches us to be careful with the signs.
