BANYAN TREE

LODHI ROAD

We, at Banyan Tree School, strive to impart high-quality education which ensures to internally motivate students and aims for lifelong learning, allowing them to become well-rounded contributing members of society. We wish to not only be a part of a child's educational journey but also try to cater to allow students to reach their full potential. What we do at Banyan Tree School, New Delhi, goes hand in hand with our mission and vision.

Parent's Testimonials
The Builder of Strong Young Souls

We are deeply grateful to all the teachers, from Nursery to Class 12th, for nurturing our child into a good human being - creative, diligent, cooperative, optimistic, independent, and polite. Their unwavering dedication has shaped her into a proficient individual, ready to embrace a promising future. Thank you!

Smita Singh
Mother of Arohi Sharma, Class XII-C

“Our experience at Banyan Tree School has been exceptional. The teachers are very dedicated and truly invested in imparting quality education to children. The apt teacher-to-student ratio, and leveled learning has enabled my child to boost her confidence. Moral values, communication and leadership skills are engrained in every child. Integrating yoga, dance, karate and art has led to holistic development of my child.”

Damanpreet Kaur
Mother of Gunkeerat Kaur, Class III

"As a mother, I can confidently say that my daughter's school-Banyan Tree School, New Delhi is an exceptional institution that has played a significant role in shaping her into the bright and ambitious young girl she is today. From the moment I first walked through the doors of the school, I was struck by the welcoming atmosphere and the commitment of the faculty and staff to provide the best possible education for their students."

Irfana Shafi
Mother of Tabinda Shafi, Class V

Teacher's Testimonials

"Being a teacher at Banyan Tree School is an incredible experience! Every day, I have the opportunity to make a positive impact on the lives of my students. From creating engaging lesson plans to fostering a supportive learning environment, teachers play a vital role in shaping young minds. It's a rewarding feeling to see my students grow, learn, and succeed. Of course, there are challenges too, like managing different personalities and adapting to various learning styles. But the joy of seeing my students thrive and knowing that they have made a difference makes it all worthwhile. It's a truly fulfilling journey!"

I am glad to be the part of Banyan Tree family. The staff members are very supportive. Each day is a learning experience for me. Our strength is team work and collaboration. It is a positive place for learning for each child for their holistic development. The school is filled with warmth, creativity and fun.

Moonisa Ahmed
PGT (English)

It has been a matter of great privilege and pride to be associated with the school. It has been an enriching experience to be a part of this great institution and shape the careers of the future generation.

-Nidhi Mehra

The Unspoken Melodies

MY BEST DAY

It was my best day
Of all the other
I lived the moments
The rest , I didn't bother
Woke up early and cried
With the happy tears
What I never thought, I tried
Without any fears
I visited my dream place
Where I felt jubilant
Captured a lot of memories
As a school student
Travelled and travelled
Covered a long way
And at the end all frazzled
It was my best day
Of all the other
Will forget it ?? Never
I'll remember this forever

Spring Blooms Everywhere

Look at the bloom
Taking away the gloom
Smells so good
In variety of woods
found in tints, tones and shades
In all sizes and shapes
fluttering and dancing in the breeze
Spreading happiness joy and ease
Beautiful and bright day and night
Speaks the unspoken
Adding beauty to nature
Joy is the special feature
In the glory of togetherness
Bringing life to freshness
Touched by the butterflies
Suckled by the bees
Spring is here to add glee
