# FROM THE PRINCIPAL'S DESK

Welcome to Banyan Tree School New Delhi!

I am honoured to be the principal of Banyan Tree School (BTS), Lodhi Road, New Delhi. It is a position from which I can serve a dual purpose of serving the school, as well as the community. We, at Banyan Tree School, strive to impart high-quality education which ensures to internally motivate students and aims for lifelong learning, allowing them to become well-rounded contributing members of society. We wish to not only be a part of a child's educational journey but also try to cater to allow students to reach their full potential. What we do at Banyan Tree School, New Delhi, goes hand in hand with our mission and vision. The staff at Banyan Tree School, are highly qualified and experienced educators who are all committed to supporting your child's educational experiences by creating a supporting environment, ensuring scaffolding when required, and providing guidance as per a child's needs and the requirements of their developmental domains. Our school stands by Sustainable Development Goals (SDGs) and we try to ensure that the same is inculcated into the learning experiences for students for them to imbibe this in their life goals. The syllabus and curriculum all adhere to assist learners in their journey to make a mark in the world. Student learning, of course, goes beyond textbooks, which is ensured through our numerous co-curricular activities offered by the school. We believe that the student's parents are also an important factor in the education of students. We welcome parents to be active participants in their child's education by attending the Parent Teacher Meetings (PTMs), building a rapport with the student's teachers, and gaining more insight into the functionalities of the day-to-day life at Banyan Tree School. Let us all work together to ensure that Banyan Tree School is the best it can be. We welcome you to be a part of our warm and vibrant community, as we all remain "In Pursuit of Excellence".

# Count and Paste

**Nursery-**

Tiny tots of Nursery were engaged in experiential learning of "Count and Paste" using the Math JodoGyan Rangometry kit.

They thoroughly enjoyed and learnt the concept of counting in a better way.

# PINK DAY CELEBRATION

## Kindergarten-

The color Pink represents friendship, harmony, inner peace and stability. Pink is also often associated with innocence of childhood.

In order to acquaint the little ones with the concept of the color pink, Pink Day was organized for the students of Nursery and KG.

# MANTRA SORTING ACTIVITY

In grade 1, students participated in a Matra Sorting Activity focused on differentiating between Choti I and Badi II in Hindi. This hands-on activity aimed to reinforce their understanding of vowel sounds and their written forms. Learning Objectives were To recognize and Differentiate: Students identified and sorted words with Choti I (इ) and Badi II (ई) matras. To improve Phonemic Awareness: Enhanced their ability to distinguish between similar vowel sounds in Hindi.

# HEALTH AND HYGIENE

In our recent life skills class for Grade 1 and 2, students learned about health and hygiene, focusing on proper handwashing. They discovered the importance of washing hands to prevent illness and received a hands-on demonstration.

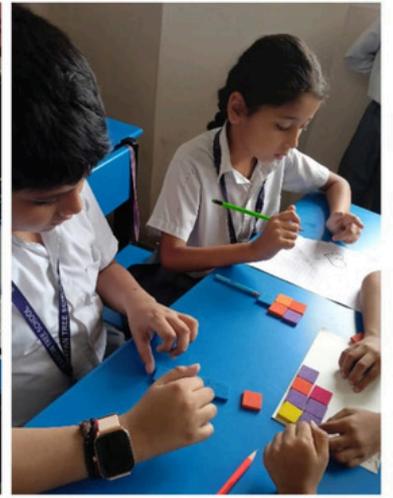

# HOW PLANTS DRINK WATER

How Plants Drink Water. our curious Class 3 students conducted an exciting experiment on “How Plants Drink Water” using cabbage leaves. They observed how colored water traveled through the leaves, sparking discussions on the importance of water transportation in plants. This hands-on activity helped them understand the role of the stem and xylem in absorbing and moving water from roots to leaves. The young scientists practiced the scientific method and engaged in critical thinking, making for a fun and educational day!

# MATHS ACTIVITY

Exciting Learning Moments with Jodo Gyan! Our Class-3 students had an amazing time exploring mathematics with the Rangometry kit during the Jodo Gyan Maths Activity. Using this engaging and hands-on kit, they learned the concept of subtracting numbers in a fun and interactive way. Seeing young minds light up with understanding and excitement is what learning is all about.

# NATURE WALK

students recently embarked on an exciting nature walk to observe and learn about the diverse types of leaves around us. During this outdoor adventure, they not only observed various leaves but also drew them and collected data, enriching their understanding of nature's incredible variety. It was a perfect blend of science and art.

# PLANTING MAHOTSAV

The students of Junior wing i.e., Nursery to Grade V took initiative in planting saplings in the Herb Garden to celebrate Van Mahotsav. Each grade brought different saplings for building a variety in the garden. They learnt about the plant and the seed that they had brought while sowing them, along with this they also learnt how to pot a plant as well as how to sow a seed.

# INTER HOUSE SOLO DANCE COMPETITION

An Inter-House solo dance competition for grades Nursery to Five showcased vibrant performances. The young dancers impressed the audience and judges with their creativity and skill, fostering a spirit of competition and camaraderie. All the participants were celebrated with enthusiastic applause.

# Interhouse Spell Bee Competition

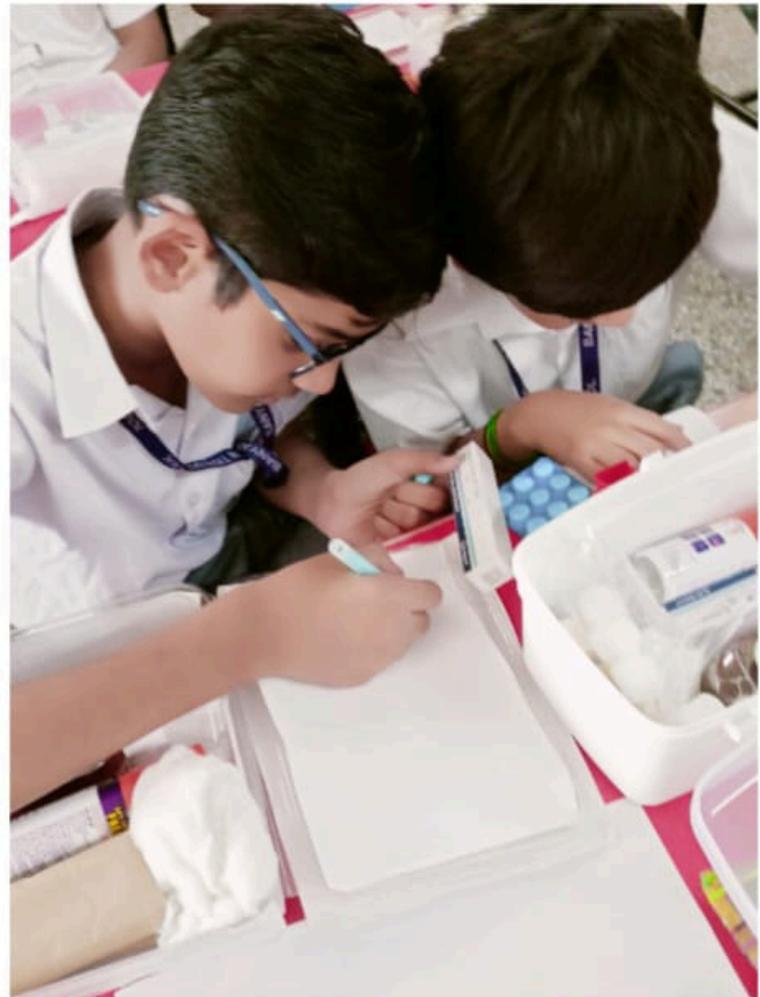

On 16th July 2024, an inter-house Spell Bee competition for grades 1 to 5 was held, showcasing students' impressive vocabulary and spelling skills. The students participated with great enthusiasm and thoroughly enjoyed the event. It provided an excellent platform for students to build confidence, improve their linguistic abilities, and engage in healthy competition.

# Rainbow Activity

# Health and wellness Activity

Students prepared a primary emergency kit. The students assembled their medical boxes. They have also been trained in the use of these basic medications for emergency situations. Preparing students to feel ready in critical situations helps them in thinking rationally and making quick and correct decisions timely.

# Sustainable Development Goals

"The Sustainable Development Goal is a United Nation programme adopted by all UN member countries with the aim of Peace and Prosperity for people and the planet. India is among the countries at the forefront of this programme. Banyan Tree School has always inculcate the idea of sustainable development and has included this in our curriculum. Therefore, from the very beginning everyone at the school was enthusiastic about the exhibition on Sustainable Development Goals. Students from Grade-I to Grade-V showcased their creativity and skill with passion at the exhibition. The Sustainable Development Goals chosen for exhibition were "Save Environment", "Zero Hunger", "Life Below water" and "Good health and well-being". Live Yoga performance was given by the students to accentuate the importance of yoga to maintain a healthy body and mind. Poem recitation and dance performances based on the SDG were held. The presentations and performances by the students enthralled the parents and the Chief Guest. It was a very good learning experience for the students."

# Heritage Walk

National Museum of Delhi was an enlightening experience for the students of grade XIIth.

The Harappan civilization artifacts also left a lasting impression, especially the exquisite bead jewelry. The intricate designs and craftsmanship from such an ancient time showcased a remarkable sense of fashion and artistry.

The museum beautifully bridges the past and present, offering a deep connection to our history and culture.

We really acknowledge Ms. Parul Sahai Ma'am for taking out time and letting students experience such a memorable day.

# Testimonials

I wanted to share my experience at Banyan Tree School. It has been absolutely amazing being a part of this institution for almost 14 years. The teachers are super supportive and always go extra miles to help us succeed. Also, the extra curricular activities are very engaging and I love to participate. I have grown so much here academically and personally. It's been an incredible journey.

# Teachers Testimonial

**"Being a teacher at Banyan Tree School is an incredible experience! Every day, I have the opportunity to make a positive impact on the lives of my students. From creating engaging lesson plans to fostering a supportive learning environment, teachers play a vital role in shaping young minds. It's a rewarding feeling to see my students grow, learn, and succeed. Of course, there are challenges too, like managing different personalities and adapting to various learning styles. But the joy of seeing my students thrive and knowing that they have made a difference makes it all worthwhile. It's a truly fulfilling journey!"**
