Work Plan-January
Grade-1

Dear Parents,

As we step into January, the New Year brings a sense of fresh beginnings, renewed energy, and enthusiasm for learning. This month focuses on revisiting and strengthening previously taught concepts through structured revision, practice activities, and interactive discussions. Children will consolidate their understanding, build confidence, and refine essential skills, ensuring a strong foundation for the months ahead. Alongside academic revision, we encourage goal setting, positive habits, and a growth mindset to start the year on a motivated note. Please find attached the syllabus and revision plan for the month. We look forward to a January filled with focus, confidence, and meaningful progress in learning.
