Session 2025-26
Work Plan - January
Grade - V

Dear Parents,

As we welcome January, a new year brings with it new beginnings, fresh goals, and renewed enthusiasm for learning. This month marks an important time for students to refocus, strengthen their academic foundation, and prepare confidently for upcoming assessments. Alongside academic progress, we look forward to celebrating Republic Day, an occasion that instills a sense of patriotism, responsibility, and pride in our nation. Through meaningful activities and classroom discussions, students will gain a deeper appreciation of our country's values and heritage. With your continued support and encouragement at home, we are confident that January will be a productive and inspiring start to the year for our students.
