**Kindergarten Planner – January 2026**

**Dear parents,**

As we step into the month of January, we welcome a brand- new year filled with joy, learning and new beginnings. This month, our little learners will settle back into routines and build confidence through fun and engaging activities.

We will also celebrate Republic Day, helping children learn about our country through stories, songs and creative activities that encourage love and pride for our nation.

With your continued support at home, we look forward to making January a happy, meaningful and enriching start to the year for our children.
