DECEMBER 31, 2025

# From the Principal's Quill.....

Dear all,  
As the year culminates, I reminisce about the ephemeral moments that rendered the last month truly euphoric. We celebrated Christmas with ebullience and joy, and I wish everyone a felicitous New Year replete with love, peace, and happiness.

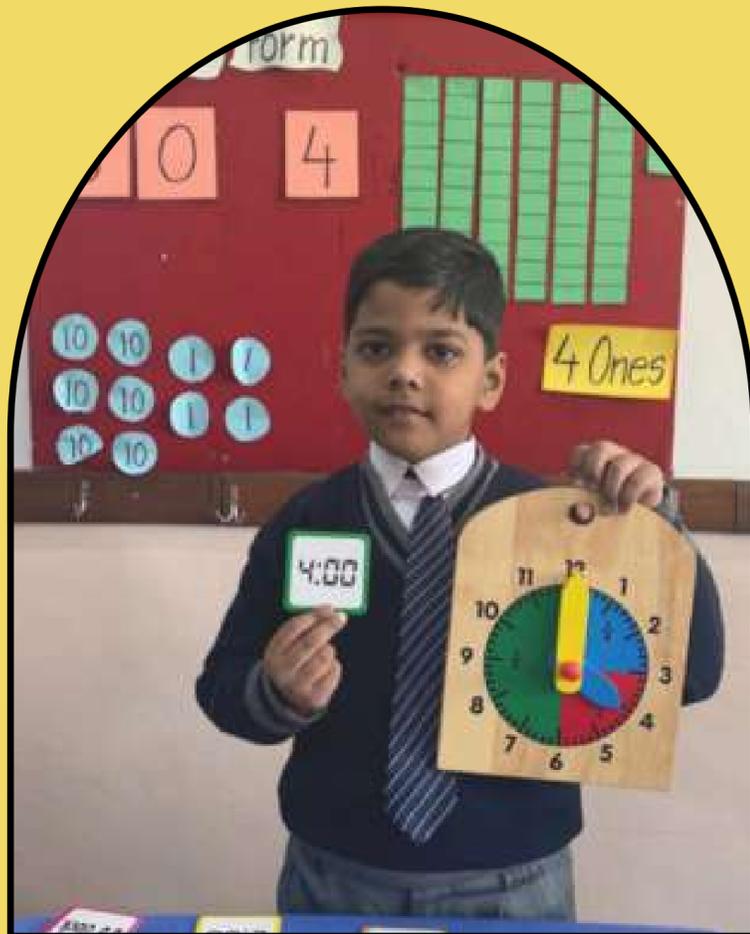

Our Annual Alumni Meet, Reverberate 3.0, was a resounding triumph, rekindling cherished memories and fostering a sense of camaraderie. We also bid a poignant farewell to our Class XII students, wishing them all the best for their future endeavors and assuring them of our unwavering support.

VALUE OF THE MONTH  
SYMBOLISM  
AND  
RENEWAL

# Tick-tock learning O'clock

With red time flashcards in hand, our champs turned into happy little time-keepers—setting clock hands with smiles, movement, and fun.

# Little Hands Sweet Designs

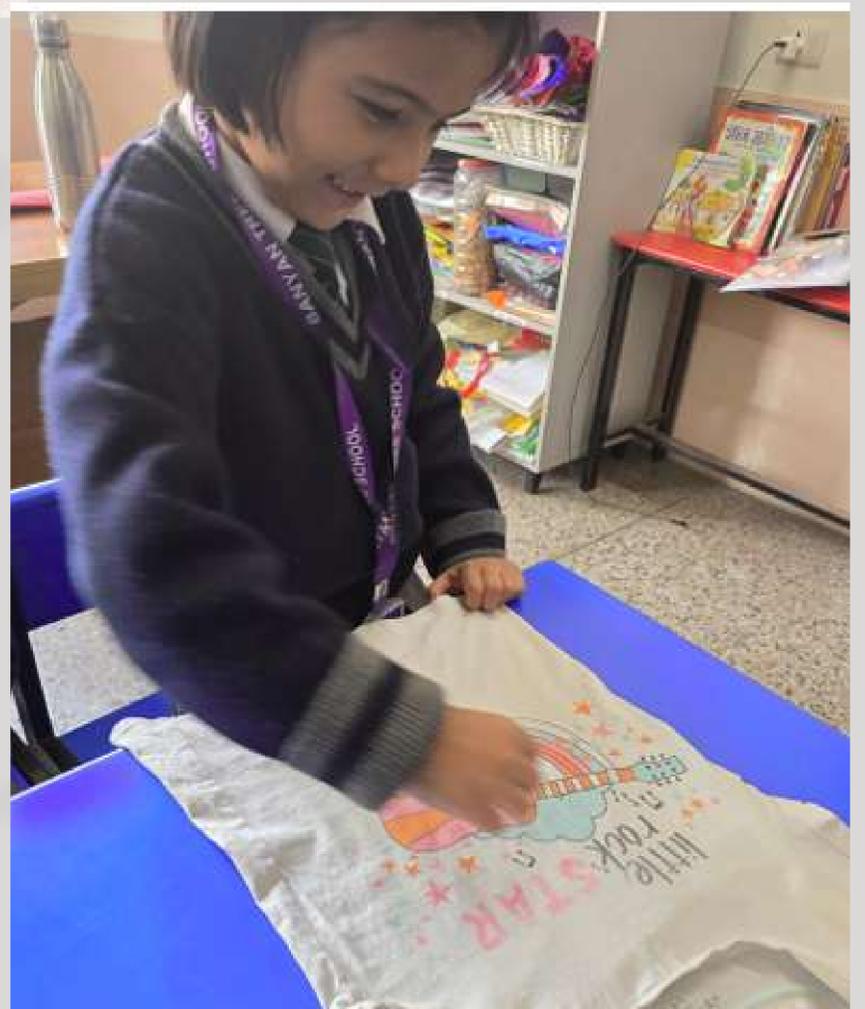

Students worked in groups to decorate a paper gingerbread man using colours and craft materials. The activity promoted teamwork, creativity, and fine motor skills while making learning fun and engaging

# Fold & Focus

As part of a life skills activity, students learned to fold T-shirts neatly, promoting organisation, independence, and responsibility.

# Colours in Action

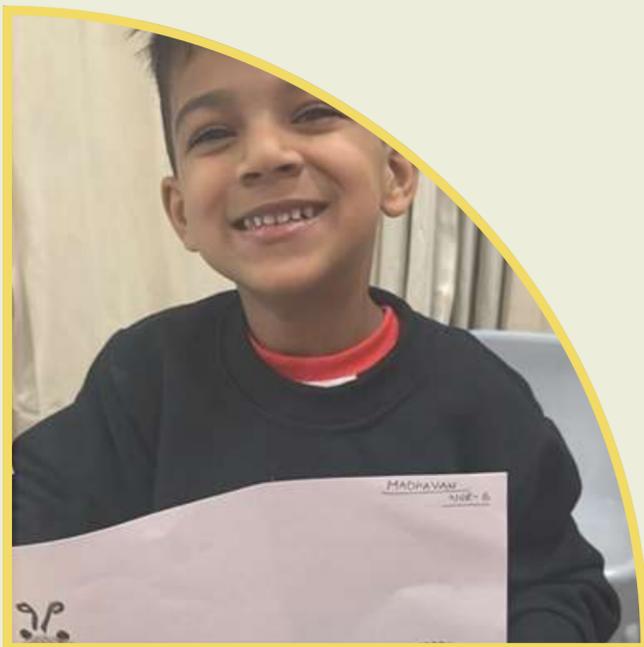

Little learners painted in their art books, exploring colours and boosting creativity and confidence.

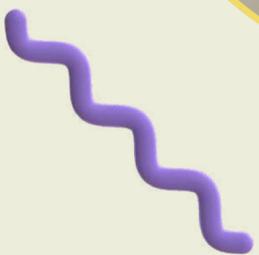

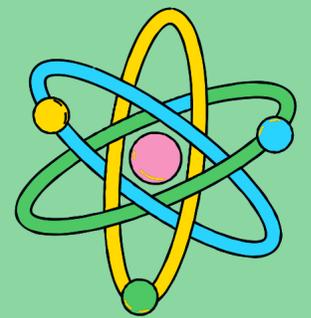

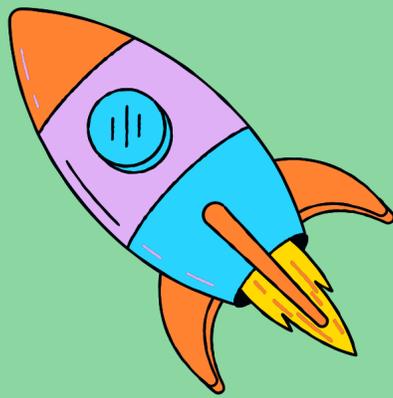

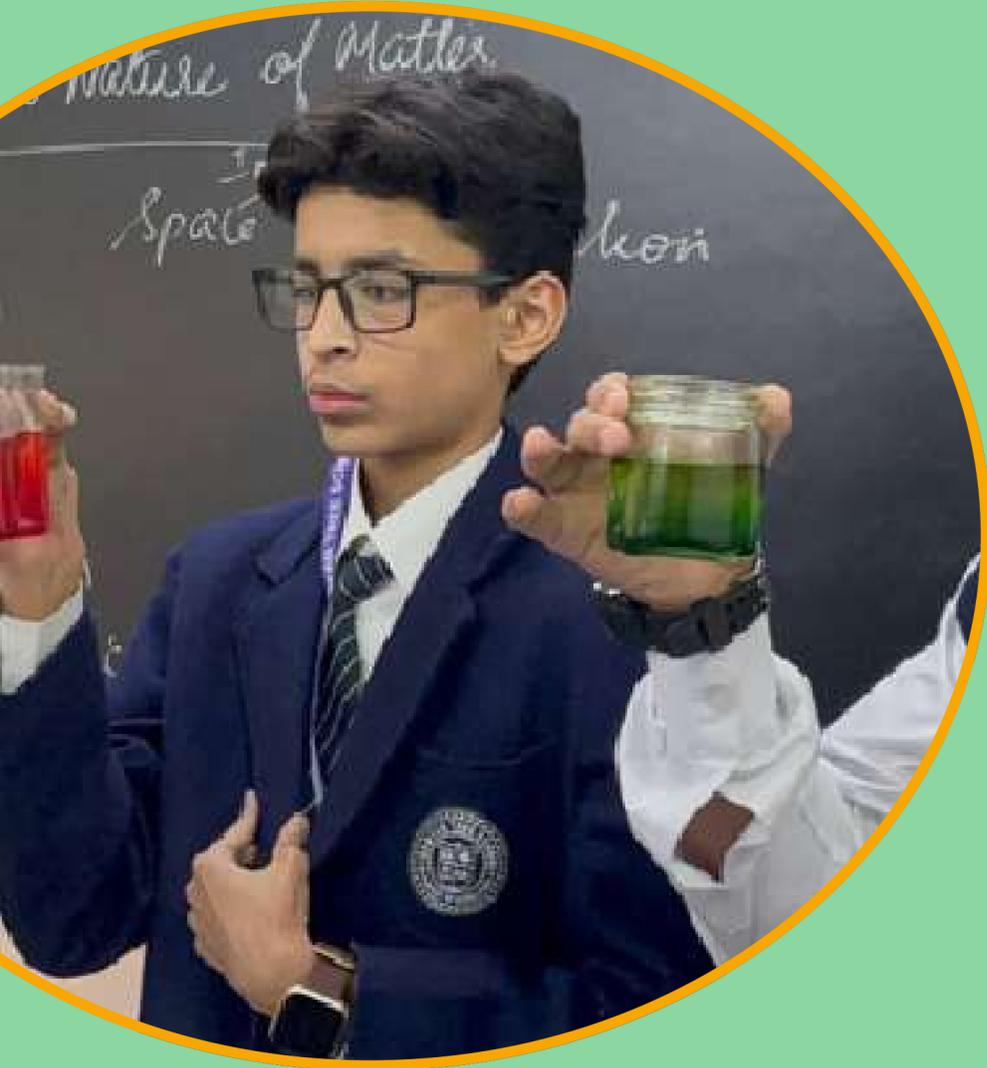

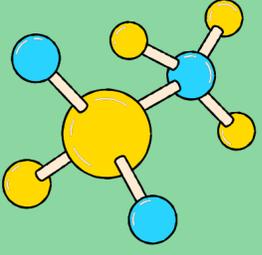

# Learning Beyond Limits

**Despite the temporary closure due to rising pollution, learning continued online with enthusiasm. Through interactive and creative activities, they stayed engaged, supported by teachers and parents, proving that learning never stops.**

# Particulate Nature of Matter

**Grade VIII students explored the particulate nature of matter through simple hands-on experiments, making abstract concepts easy to understand.**

# ART INTEGRATED LEARNING WATER CYCLE

condensation

precipitation

evaporation

Grade VI students explored the water cycle through an art-integrated activity, creatively illustrating its stages and strengthening conceptual understanding through hands-on learning.

surface runoff

infiltration

ground water

surface water

*lakes, rivers, streams*

# Rotational Symmetry

Grade VI students explored Rotational Symmetry through a hands-on activity using paper cut-outs and real-life objects. The activity enhanced spatial reasoning, logical thinking, and helped students relate geometric concepts to everyday life, reflecting our focus on learner-centric education.

# 17th VIVA Basic Gymnastics Inter-School Competition

Our students showcased impressive talent at the 17th VIVA Basic Gymnastics Inter-School Competition, competing among 19 teams and 270+ participants.

## **Achievements:**

**Chetan – 1st Position (Floor Exercise & Soft Board),  
Overall Champion**

**Ishant – 2nd Position (Floor Exercise & Soft Board)**

**Krishna – 3rd Position (Floor Exercise)**

**Aryan – 3rd Position (Soft Board)**

**Disha – 1st Position (Girls – Floor Exercise) •**

**Inaaya – 2nd Position (Girls – Floor Exercise)**

**Overall, Team Position: 3rd Place** The achievement reflects dedication, discipline, and excellence in sports

# WORKSHOP ON MENSURATION & BODY AWARENESS

**‘Awareness empowers young minds to grow with confidence.’ A special workshop was conducted for Grade VI girls focusing on Mensuration and Body Awareness. The session aimed to build conceptual understanding while sensitizing students about physical growth and self-awareness. The interactive discussion encouraged questions and promoted a healthy, informed outlook. The workshop successfully combined academic learning with life skills, reinforcing the school’s emphasis on holistic education**

# Christmas Celebrations & Assembly

The school celebrated Christmas with a special morning assembly that reflected the spirit of joy, peace, and togetherness. Students presented carols and festive messages, spreading warmth and cheer across the campus. The celebration fostered values of love, sharing, and unity among the school community.

# NEW YEAR RESOLUTION WRITING ACTIVITY

‘Goals give direction, and reflection leads to growth’. Students participated in a New Year Resolution Writing Activity, reflecting on their achievements and setting meaningful goals for the upcoming year. The activity encouraged self-assessment, positive thinking, and personal growth. Learners expressed aspirations related to academics, health, discipline, and kindness. This reflective exercise nurtured responsibility, goal-setting skills, and emotional intelligence among students

# EXPOSURE TOUR

## IILM UNIVERSITY GURUGRAM

The visit to IILM University, Gurugram was a resounding success. Students explored advanced labs and technology facilities, including the Robotics Lab, where they observed drone flying and robot-making activities. Students were introduced to startups and gained insights into Big Data and its real-world applications. The hands-on exposure made the visit enriching and inspiring.

+123-456-7890

# HERITAGE WALK

The Humanities students of Class XII (Section 12B) participated in a heritage walk at Humayun's Tomb and Museum, exploring Mughal architecture, historical narratives, and conservation practices.

## REVERBERATE 3.0

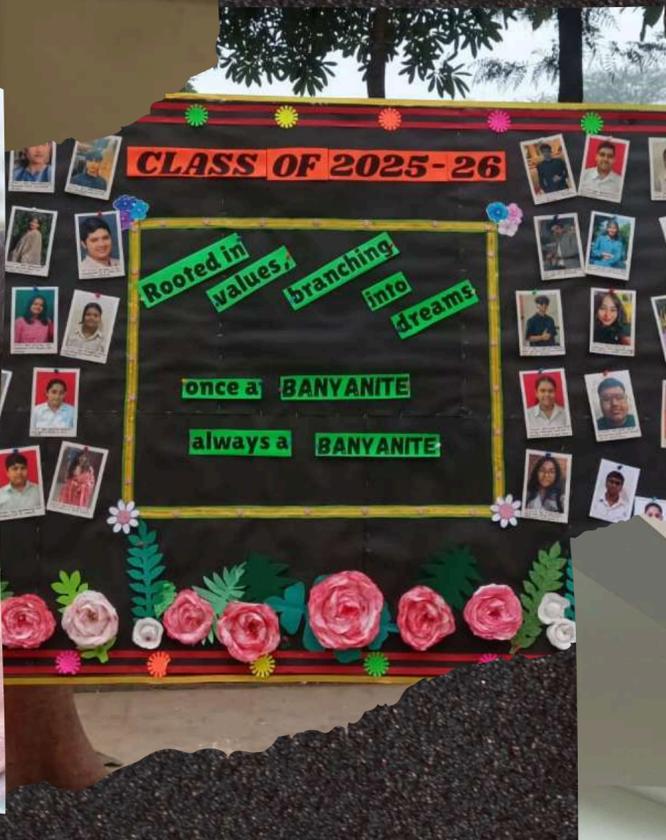

Reverberate 3.0, the Alumni Meet, was organised at Banyan Tree School on December 13, 2025. The event brought together alumni and faculty in a warm, engaging atmosphere, celebrating memories, connections, and shared pride in the school.
