## From the Principal's Quill....

Dear All,

A month of Pride and Jashn! 🎉 We celebrated Republic Day with 15 brave CRPF jawans gracing our school. Students rendered a soulful Vande Mataram, recorded for the PM's website, echoing the spirit of our nation's glory.

Jai Hind Jai Bharat 🌈

## Justice, Liberty, Equality, Fraternity

Banyan Tree School celebrated Republic Day with patriotic fervour 🎉. 15 CRPF jawans attended, and students recorded Vande Mataram for the PM's website. The event featured soulful performances, concluding with the School Song and National Anthem, instilling national pride

# ART INTEGRATED LEARNING

## CLAY MODELLING

Students of class VI explored the Harappan Civilisation through an Art Integrated Learning clay modelling activity. They created miniature artefacts like seals, pottery, toys, and tools, reflecting the craftsmanship of the ancient era.

The hands-on session strengthened historical understanding while enhancing creativity, observation, and collaboration—making history engaging and memorable through art.

# CIVIC AWARENESS AND DIGITAL LITERACY DRIVE

Grade VI students took part in a Civic Awareness and Digital Literacy activity using the MCD-311 app. The activity enhanced civic responsibility, observation skills, and digital competence, making learning practical and meaningful.

# TREASURE TRASH

**Students of Grades I to V took part in a Best Out of Waste activity, creating crafts from old newspapers and delivery packets. The activity encouraged creativity, teamwork, and environmental awareness while promoting the importance of reuse and recycling.**

**The Green Creators??**

# Veggie

## PRINTS & PATTERNS

As part of the EVS Textile chapter, students enjoyed a Vegetable Block Printing activity. Using vegetables and colours, they created lovely patterns on cloth and learned how designs are printed on textiles.

The eco-friendly activity boosted creativity, observation, and fine motor skills while making learning fun and hands-on.

# BUILDING BLOCKS OF LITERACY: SENTENCE SNAP

Our learners took part in a fun Sentence Builder activity using word cards to form meaningful sentences. The activity boosted their vocabulary, improved sentence structure, and built confidence in reading and writing through interactive and enjoyable learning.

As part of communication skills, children confidently spoke about their favourite toys, expressing their thoughts and ideas with enthusiasm. This fun and interactive activity helped build speaking confidence, vocabulary, and listening skills, making it a super hit among students.

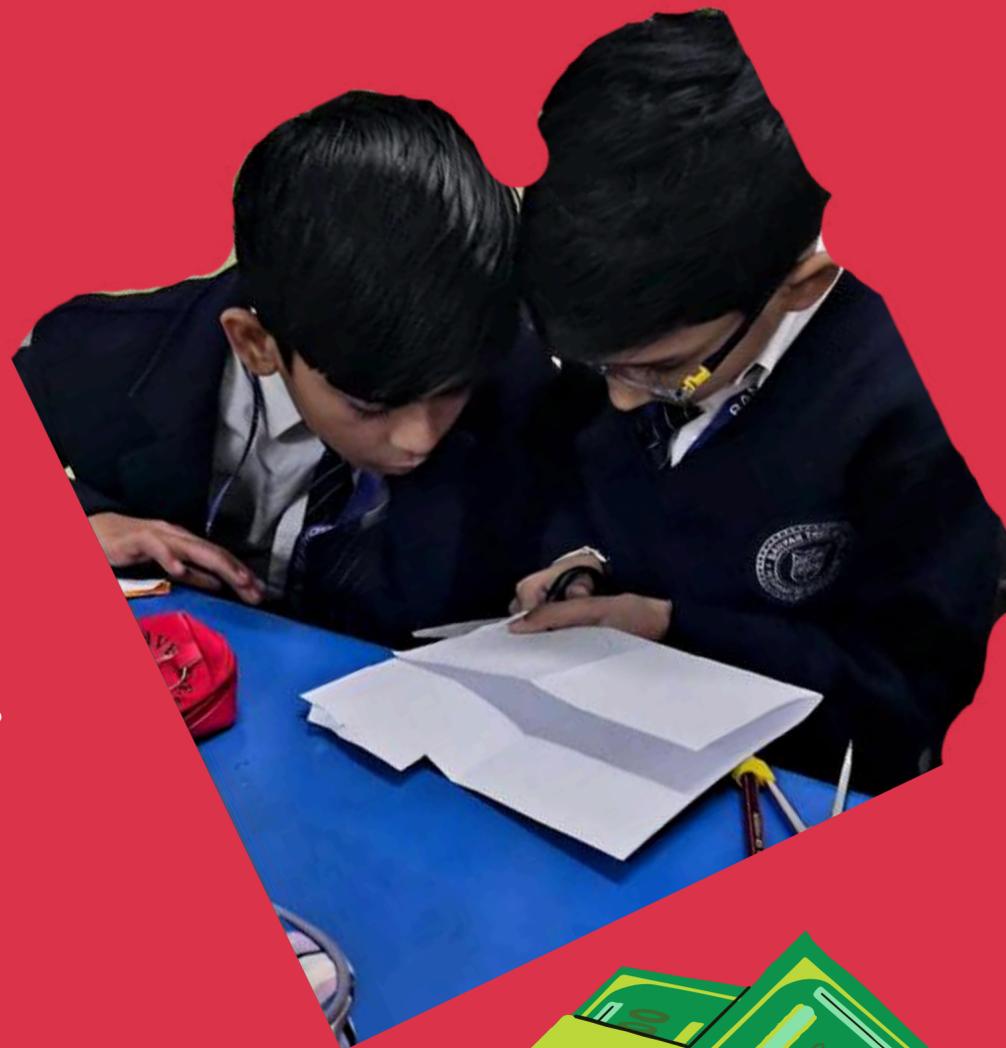

Through the activity Solubility in Action, Grade 5 students carried out hands-on experiments to understand soluble and insoluble substances, enhancing learning through observation and practice.

# Notes That Tell Stories

Class IV students explored Indian currency notes through a fun Maths-EVS activity. They identified images and learnt about the famous places shown on them, strengthening money concepts while enhancing awareness and observation skills.
