Small Steps ★ Big Dreams

Celebrating the Gentle Giants

Students of Grades Nursery to V celebrated Elephant Day with great enthusiasm. They enjoyed creative activities like making elephant masks, designing bookmarks, singing poems and writing catchy slogans about elephants. The celebration was a fun way to spread awareness about loving, protecting and caring for these gentle giants.

INDIAN NATIONAL SYMBOL

Students enthusiastically drew and wrote about our National Symbols. This activity helped them learn about the symbols of our country while encouraging creativity, awareness and pride in our nation

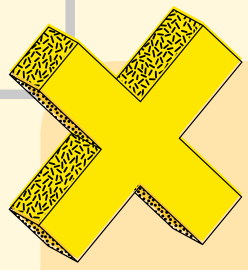

SUBTRACTION SQUISHING ACTIVITY

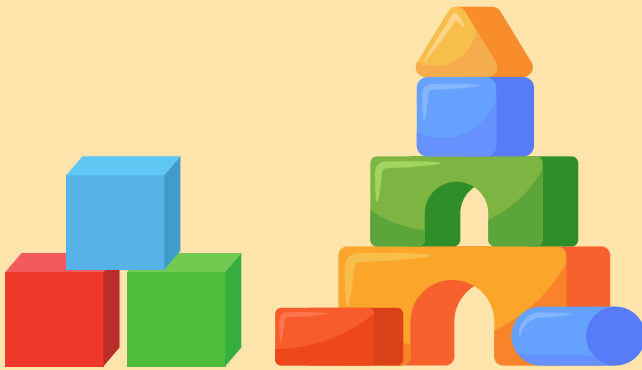

Students of Grade I learned subtraction through a fun, hands-on 'Squishing Activity'. They made clay balls to represent numbers and then squished/removed the required number of clay balls to find the difference. This activity helped children understand subtraction in a simple, visual and engaging way.

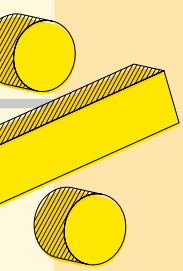

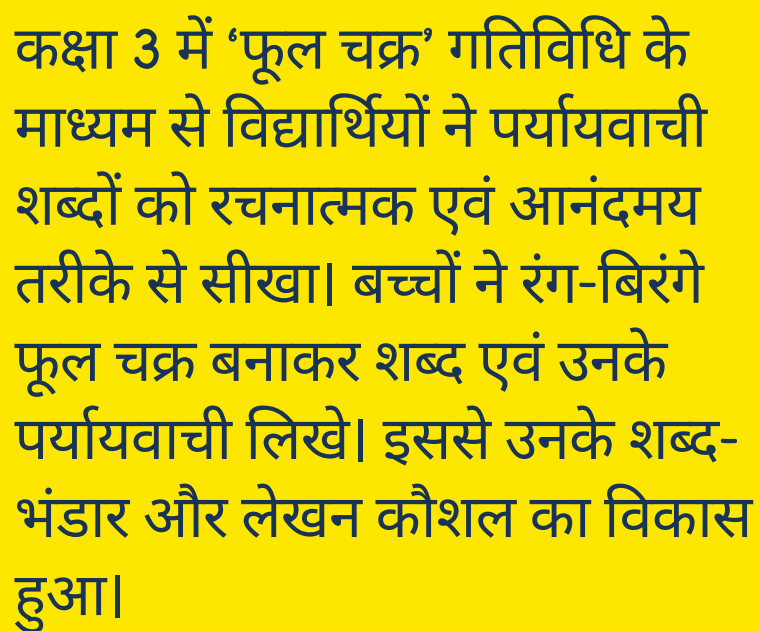

Creating Arrays

Grade 3 turned numbers into shapes — literally. Using rangometry kits, students built colourful arrays of rows and columns to solve multiplication problems, watching answers take shape right before their eyes.

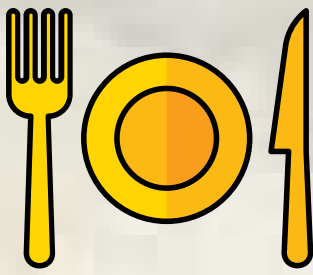

TABLE MANNERS & DINING ETIQUETTE

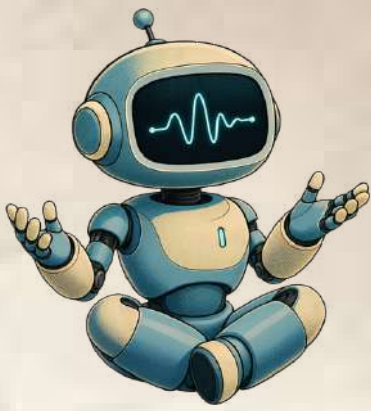

Good manners never go out of style! This month, the students of Class 4 took part in an interactive Table Manners & Dining Etiquette activity. Through hands-on practice, they mastered proper cutlery placement, polite mealtime conversation and thoughtful dining habits—building everyday confidence and poise for every table they sit at.

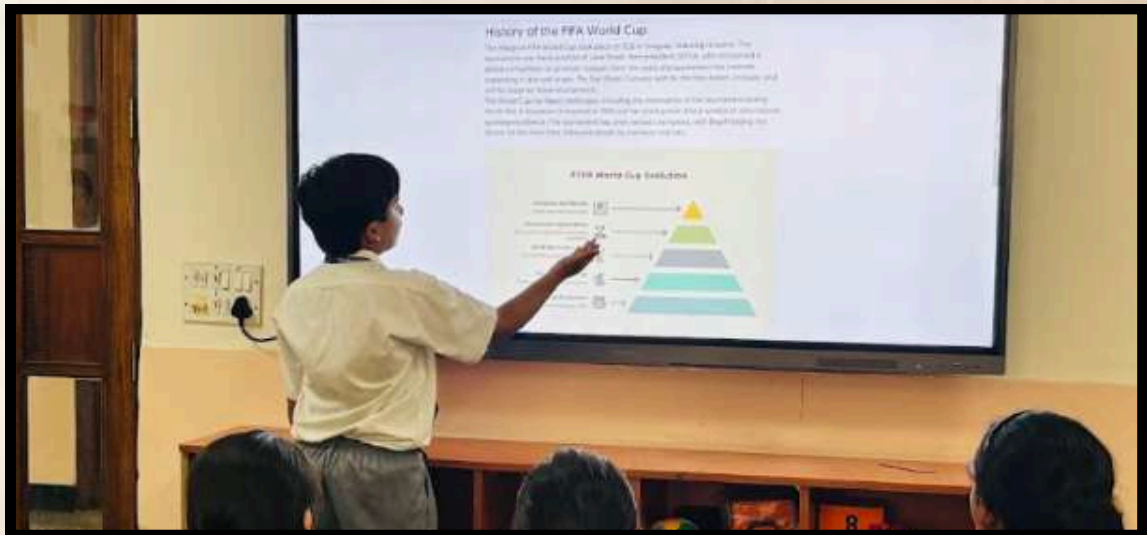

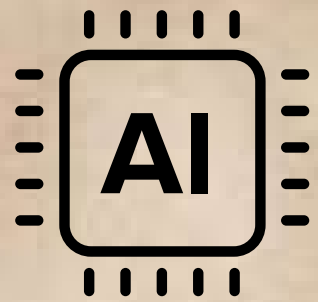

BOOK COVER JACKET

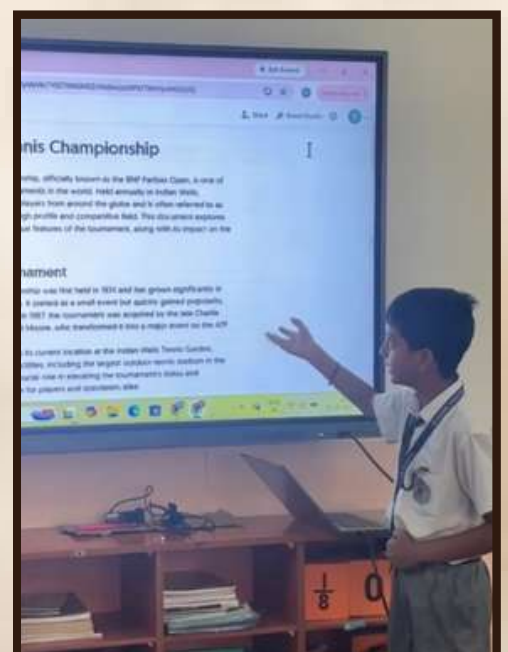

कक्षा 4 के नन्हे रचनाकारों ने अपने खुद के बुक कवर जैकेट डिज़ाइन करके अपनी कहानी कहने की कला को एक नए मुकाम पर पहुँचाया! लेखक और डिज़ाइनर दोनों की भूमिका निभाते हुए, विद्यार्थियों ने आकर्षक फ्रंट-कवर शीर्षक, मनमोहक कलाकृतियाँ और दिलचस्प बैक-कवर सारांश (ब्लर्ब) तैयार किए। अंतरिक्ष के रोमांचक सफ़र से लेकर खेल के मैदान की हलचल तक, उन्होंने साबित कर दिया कि एक शानदार कहानी की शुरुआत किताब के कवर को देखते ही हो जाती है।

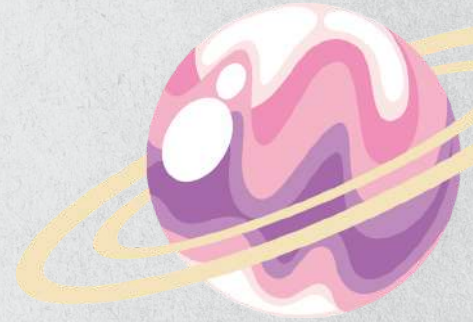

NAPKIN

Napkin AI- From mapping out the cosmic order of the Solar System to breaking down the high-stakes tournament stages of the IPL Championship, the students typed out key facts and watched the tool transform their words into vibrant, structured flowcharts. In just one session they blended logic, space science and sports strategy—showing that with the right tech, complex topics are as easy to map out as they are fun to explore.

LED BULB CIRCUIT

Students participated in a hands-on STEM & Robo activity to create a simple LED bulb circuit. They connected LED, battery, wires and switch. They observed how the bulb glowed when the circuit was complete. The activity helped students understand open and closed circuits through practical experimentation.

BUILD COUNT CALCULATE

Grade II students explored addition and subtraction using Dienes blocks. They represented numbers with the blocks and solved the given sums through this hands-on activity. Learning maths became fun, engaging and meaningful! ✨

$$\begin{matrix} 2 \\ 1 \\ 5 \end{matrix} \times \begin{matrix} 3 \\ 2 \\ 1 \end{matrix} =$$

$$\begin{matrix} 10 \\ 6 - 4 \end{matrix}$$
A cartoon illustration of a girl and a boy playing with large number blocks. The girl is holding a block with the number 6, and the boy is holding a block with the number 4. Above them is a green circle with the number 10.

MY TOY MY STORY

Grade II students enthusiastically participated in a fun 'Show and Tell activity' describing their favourite toys in a few sentences. They spoke confidently and shared interesting details about their toys. The young learners performed wonderfully, making the activity fun and engaging! ✨

Rainy Season & Precautions

Grade I A students presented a lively assembly on the Rainy Season, blending learning with fun. Through a cheerful dance, a melodious poem and informative presentations. They highlighted the joys of the monsoon and shared important safety precautions to stay healthy and safe during the rainy days. The assembly was a delightful mix of awareness, creativity and confidence! 🌧️ 🌈

TRICOLOUR TALES

A Creative Independence Day Celebration

Students celebrated the spirit of Independence Day through a vibrant craft activity. They creatively made tricolour kites, birds, lanterns, and 'Tricolour Buddies' using colourful craft materials. The activity encouraged creativity, use of fine-motor skills, and a sense of patriotism, while filling the classroom with the vibrant colours of our national pride.

AZAADI KE RANG THE SPIRIT OF INDIA 🇮🇳

The Independence Day Assembly was a vibrant celebration of patriotism, courage and unity. The programme began with a warm welcome followed by 'Rangilo Bharat' and the inspiring 'Voices of Hope.' 'Dil Se Hindustani' filled the atmosphere with patriotic spirit while Yoga: India's Gift to the World showcased India's rich heritage. 'Veer Ras' ignited the spirit of courage, and the Nukkad Natak 'The Voice of Change' delivered a meaningful social message. The celebration continued with 'Unity in Diversity'. The Principal's inspiring address concluded with 'Jana Gana Mana' honouring the nation with pride. ✨

Tiny talkers troupe

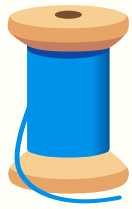

Dressed as tiny legends and freedom fighters, our little stars shone brightest on stage today! From miniature soldiers to fearless icons, these tiny talkers filled our hearts with immense pride and patriotism. These tiny talkers brought heritage to life, building early confidence while discovering the courage of India's greatest historical figures through fun, expressive lines. Catch a glimpse of their big dreams and brave smiles!

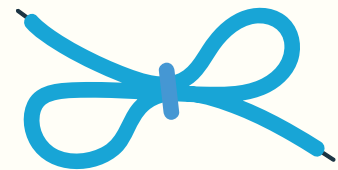

FLOAT & SINK WITH VEGETABLES

Children placed different vegetables in water and observed which ones float and which ones sink. A fun hands-on activity to explore and learn.

Lacing Card Activity

Our little learners enjoyed the Lacing Card Activity with great excitement! It helped improve their fine motor skills, hand-eye coordination, concentration, and finger strength while making learning fun and engaging.

TINY TALKER TROUPE

Theme: Desh Bhakti Ke Rang
Children recited patriotic rhymes and expressed their love for our country through their words and actions.

KITCHEN GARDEN ACTIVITY

Grade VI students participated in a Kaushal Bodh Kitchen Garden Activity, where they prepared planting beds, transplanted saplings and learned about garden tools and their safe usage.

स्वच्छता ही सच्ची देशभक्ति है

Grade VI students presented a Nukkad Natak, “स्वच्छता ही सच्ची देशभक्ति है,” promoting cleanliness, environmental conservation and responsible citizenship in alignment with SDGs 11, 12 and 13.

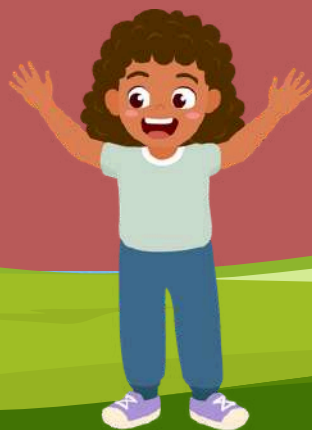

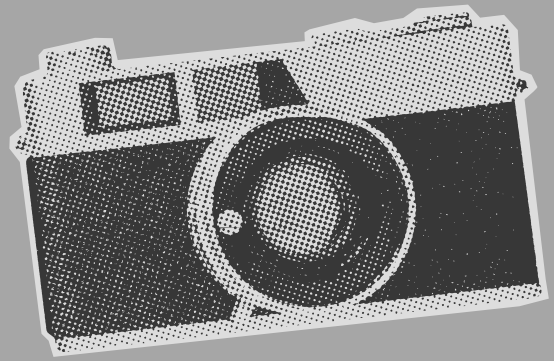

TIE AND DYE

Grade VII students explored the traditional Indian craft of Bandhani-style Tie and Dye, developing creativity, precision and appreciation for cultural heritage.

ADVERTISEMENT AND MARKETING

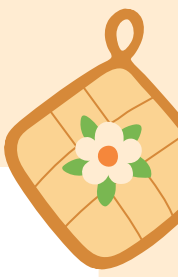

Grade VIII students engaged in an Advertisement and Marketing Activity, creating brands, taglines, jingles and advertisements while developing communication, teamwork and entrepreneurial skills.

Cooking Without Fire

The Cooking Without Fire Club prepared Sev Puri, encouraging hygiene, collaboration and life skills.

SPORTS

Students enthusiastically participated in Football, Badminton, Lawn Tennis, Volleyball, Basketball and Cricket, promoting fitness, discipline, teamwork and sportsmanship. Sports activities further promoted physical fitness, teamwork, discipline, coordination and sportsmanship, making the Bagless Day a holistic and engaging learning experience for all students.

मेरी माँ

‘मेरी माँ’ पाठ के अंतर्गत विद्यार्थियों ने अपनी माँ के प्रति प्रेम, सम्मान और कृतज्ञता की भावना व्यक्त करने के लिए सुंदर ग्रीटिंग कार्ड बनाए। विद्यार्थियों ने कार्ड को रचनात्मक ढंग से सजाकर उसमें अपनी माँ के लिए प्यारे संदेश एवं शुभकामनाएँ लिखीं। इस गतिविधि के माध्यम से विद्यार्थियों ने अपनी भावनाओं को सुंदर एवं प्रभावी शब्दों में व्यक्त करना सीखा। साथ ही, उनमें रचनात्मकता, भावनात्मक अभिव्यक्ति, लेखन-कौशल तथा मातृ-प्रेम और सम्मान की भावना का विकास हुआ। गतिविधि में विद्यार्थियों ने उत्साहपूर्वक भाग लिया और अपनी कल्पनाशीलता का परिचय दिया।

समयवाचकशब्दाः

छात्राः संस्कृतभाषायां समयवाचकशब्दान् अधीतवन्तः। ते घटीयन्त्रस्य चित्रं निर्माय विभिन्नान् समयान् प्रदर्शितवन्तः। तथा तान् समयान् संस्कृतभाषायां लिखितवन्तः।

अनेन क्रियाकलापेन छात्राणां संस्कृतभाषाज्ञानं, लेखनकौशलं, सृजनात्मकता च विकसिताः। छात्राः अस्मिन् क्रियाकलापे उत्साहपूर्वकं भागं गृहीतवन्तः।

छात्रैः पोस्टरेषु देशभक्तिसम्बद्धाः संस्कृतभाषायां
स्लोगनाः लिखिताः।

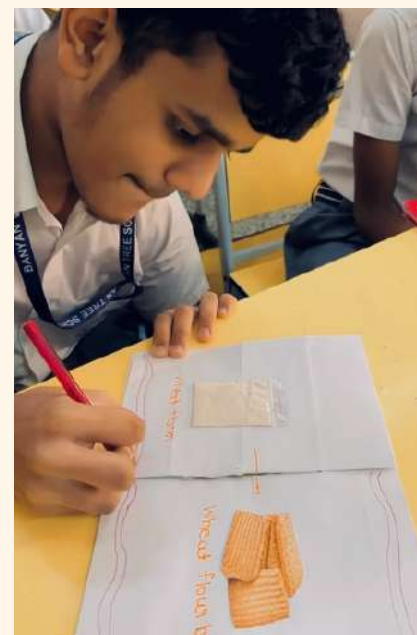

Know Your Rupee, ₹ Explore the World

From barter to global currencies, students explored how money connects economies across borders. 🌍✨ They compared the Indian Rupee with currencies such as the US Dollar, Nepalese Rupee, Canadian Dollar, British Pound, Bangladeshi Taka and Saudi Riyal, gaining awareness of international currencies and basic currency conversion.

Raw to Ready

Students learnt about the three sectors of economic activities in India through a hands-on activity. They created samples showing how raw materials from the primary sector are transformed into finished goods in the secondary sector, such as wood into furniture, cotton into clothes, flour into biscuits and tomatoes into ketchup. This activity helped them understand the process of production.

Shooting for the Stars

On August 21, 2026 Classes VI-VIII celebrated National Space Day and the third anniversary of Chandrayaan-3. Based on the theme “India’s Space Journey Towards Viksit Bharat 2047,” students participated in creative activities including space stories, crosswords and presentations on ISRO pioneers. With 100% participation, the celebration sparked curiosity, teamwork and a passion for space science.

TRICOLOUR ART & CRAFT

Grade VI Students created colourful crafts using paper cups and the three colours of the National Flag, based on the theme 'Clean India, Strong India,' connecting patriotism with cleanliness and civic responsibility.

POSTER MAKING

Grade VII Students designed vibrant posters on 'Ek Bharat, Shrestha Bharat,' highlighting India's unity in diversity, cultural richness and harmony.

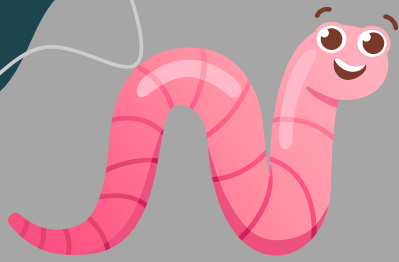

TRICOLOUR MESSAGE BRACELETS

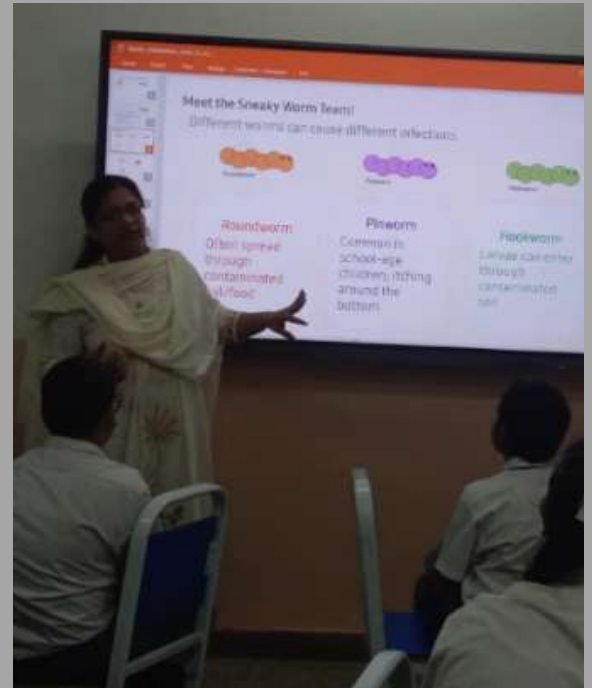

Grade VIII Students created tricolor bracelets using saffron, white and green, incorporating messages such as 'Peace,' 'Unity,' 'Freedom' and "India."

Worm Infestation and Safety

A workshop on 'Worm Infestation and Safety' was conducted for Class VI students. The session highlighted the causes, symptoms, prevention, and importance of hygiene, encouraging students to adopt healthy habits such as regular handwashing, clean nails, wearing footwear and washing fruits and vegetables.

Exploring Technology Through Atal Tinkering Workshops

Every Friday, middle school students visit Birla Vidya Niketan for hands-on Atal Tinkering workshops, exploring coding, robotics, electronics, and innovation while developing creativity and problem-solving skills.

देशभक्ति कविता वाचन

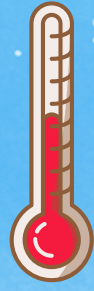

देशभक्ति कविता वाचन गतिविधि विद्यार्थियों के लिए अत्यंत प्रेरणादायक एवं ज्ञानवर्धक रही। इस गतिविधि ने विद्यार्थियों की भाषाई दक्षता, रचनात्मक अभिव्यक्ति, आत्मविश्वास तथा देशभक्ति की भावना को सुदृढ़ किया। विद्यार्थियों ने अपनी प्रस्तुतियों के माध्यम से यह संदेश दिया कि एक अच्छे नागरिक के रूप में देश के प्रति प्रेम, सम्मान और अपने कर्तव्यों का पालन करना आवश्यक है।

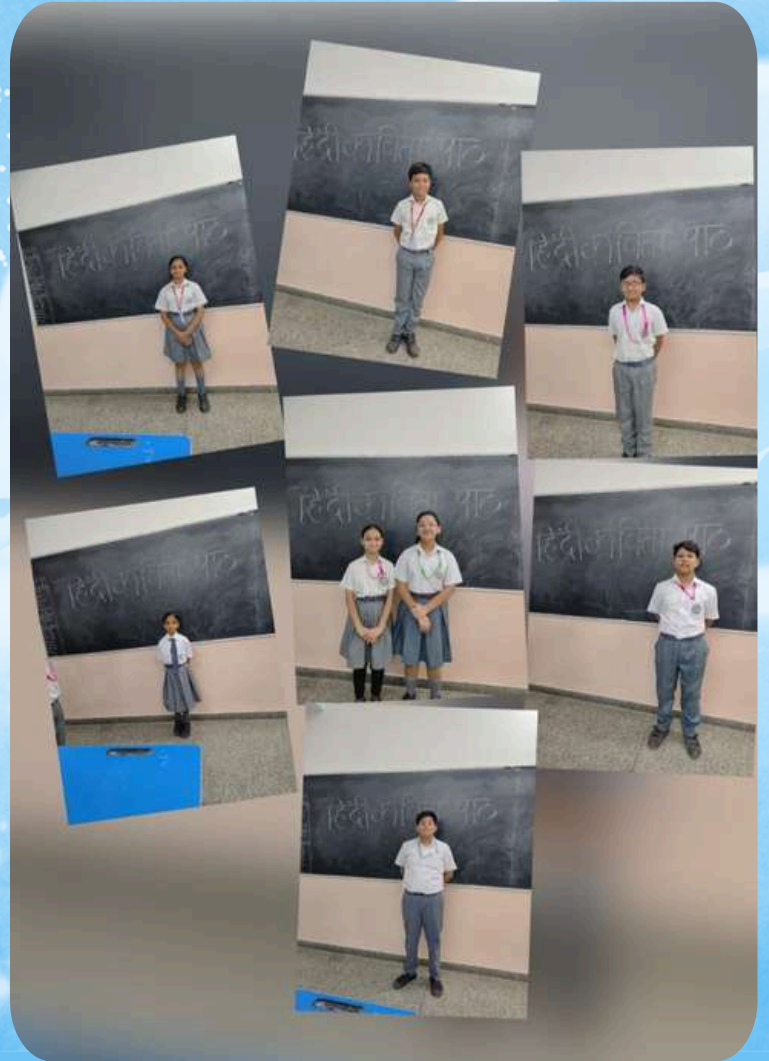

नहीं होना बीमार

अभिनय गतिविधि कक्षा
VII A के विद्यार्थियों के
लिए रोचक,
सहभागितापूर्ण एवं
अनुभवात्मक रही।
विद्यार्थियों ने अभिनय के
माध्यम से पाठ के संदेश
को प्रभावी ढंग से समझा
तथा स्वास्थ्य और स्वच्छता
के प्रति जागरूकता प्राप्त
की। इस गतिविधि ने
विद्यार्थियों के संचार
कौशल, रचनात्मकता,
आत्मविश्वास और सहयोग
की भावना को विकसित
करने में महत्वपूर्ण भूमिका
निभाई।

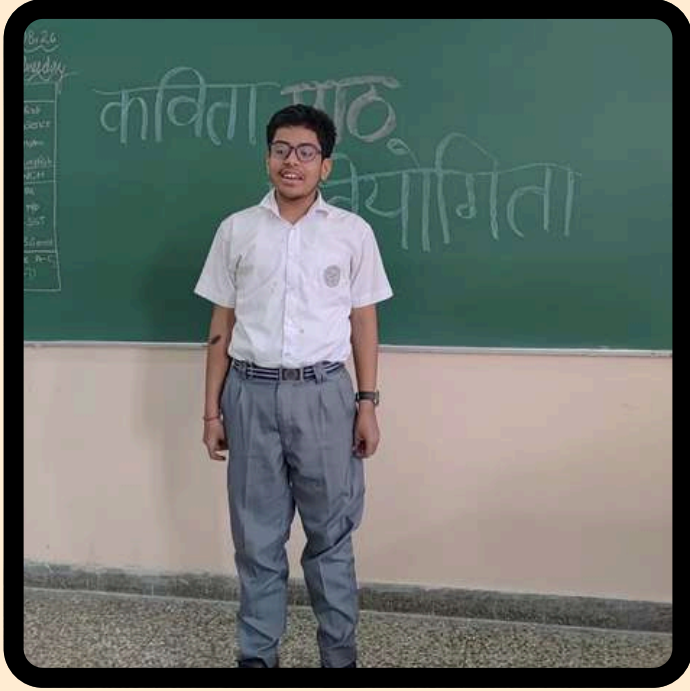

स्वच्छता एवं संतुलित आहार

पोस्टर मेकिंग गतिविधि विद्यार्थियों के लिए रचनात्मक, रोचक एवं ज्ञानवर्धक रही। विद्यार्थियों ने 'नहीं होना बीमार' पाठ के संदेश को पोस्टर के माध्यम से प्रभावी ढंग से प्रस्तुत किया। गतिविधि ने उनमें स्वच्छता, संतुलित आहार एवं स्वस्थ जीवनशैली के प्रति जागरूकता बढ़ाने के साथ-साथ उनकी रचनात्मक एवं भाषाई अभिव्यक्ति को भी विकसित किया।

वीर रस की कविताओं का कविता वाचन

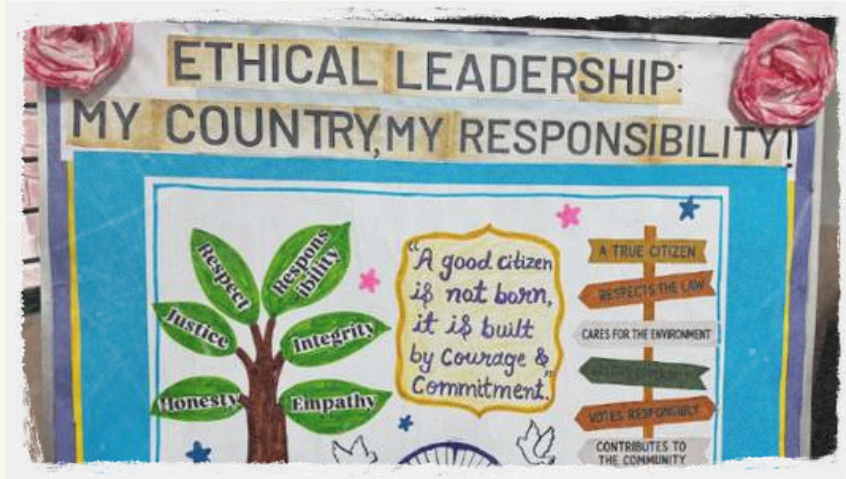

दिनांक : 19 और 20 अगस्त २०२६ वीर रस कविता वाचन गतिविधि विद्यार्थियों के लिए प्रेरणादायक एवं ज्ञानवर्धक रही। इस गतिविधि के माध्यम से विद्यार्थियों ने हिंदी साहित्य में वीर रस की महत्ता को समझने के साथ-साथ साहस, आत्मविश्वास, देशप्रेम और त्याग जैसे जीवन-मूल्यों को भी जाना। गतिविधि ने विद्यार्थियों के भाषाई एवं रचनात्मक कौशल को विकसित करने में महत्वपूर्ण भूमिका निभाई।

ETHICAL LEADERSHIP

MY COUNTRY, MY RESPONSIBILITY

Grade IX A and B presented an engaging assembly on 'Ethical Leadership' on August 6, 2026. Students highlighted the importance of integrity, responsibility, empathy and leading by example, inspiring everyone to become responsible and ethical leaders.

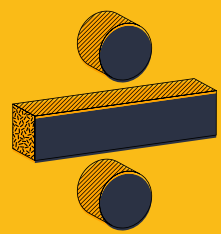

YOUNG EARTH HEROES

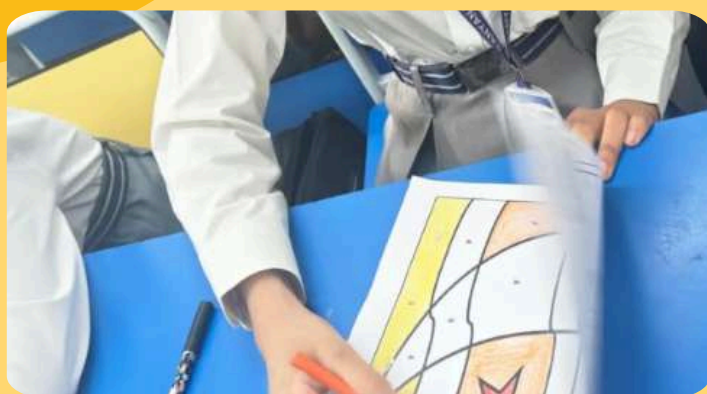

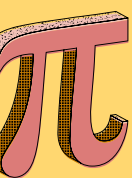

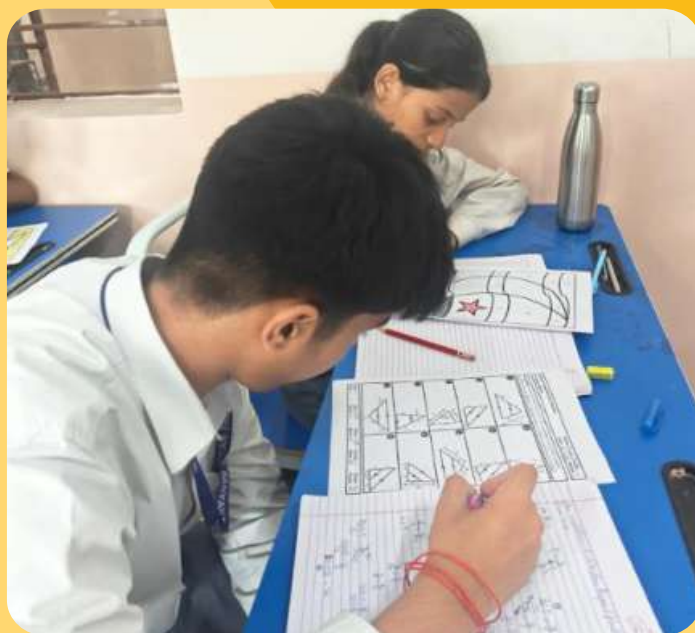

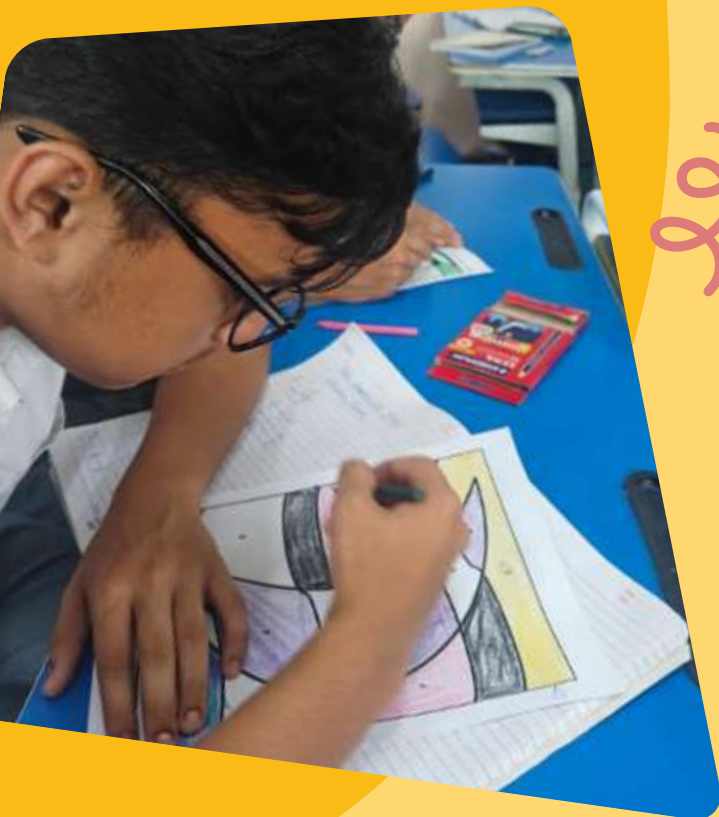

From ideas to impact! 🌍
✨ Grade XI secured Second Position in the 'Persuade' Presentation at Young Earth Heroes 2026. A proud moment that reflects our students' passion for sustainability, innovation, and meaningful change. Together, we're inspiring a greener tomorrow! 💚🌱

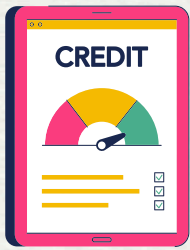

The Proportional Puzzle Quest

Students participated in a Colour-by-Number activity based on the Basic Proportionality Theorem (BPT). They solved problems using proportional sides to find unknown lengths, with each correct answer revealing a colour for the corresponding section. The activity promoted accuracy, logical thinking, and self-checking while making BPT learning engaging and enjoyable.

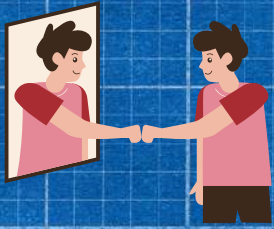

BALANCE OF PAYMENT

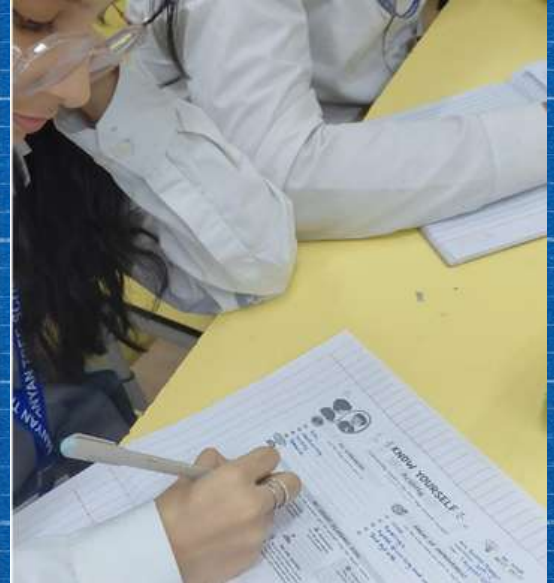

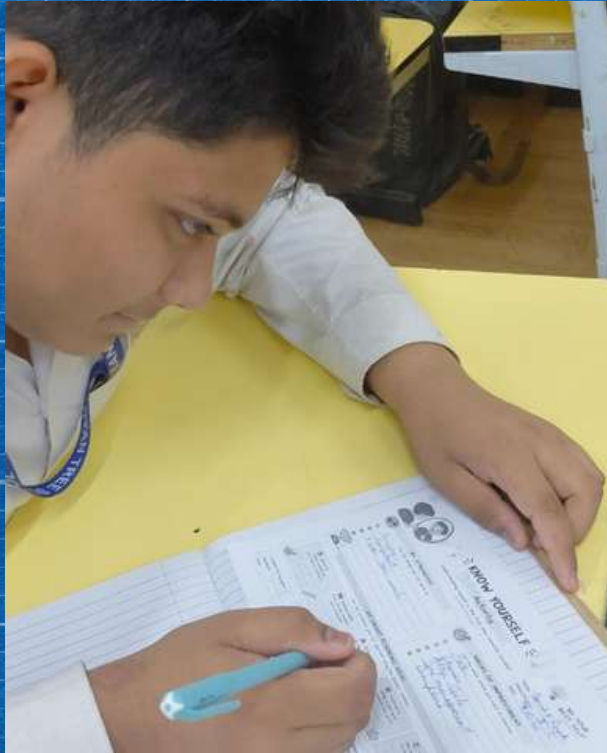

On August 4, 2026 students of Grade XII participated in a Balance of Payment Activity. The activity helped them understand the components of the Balance of Payment and gain practical insight into accounting transactions.

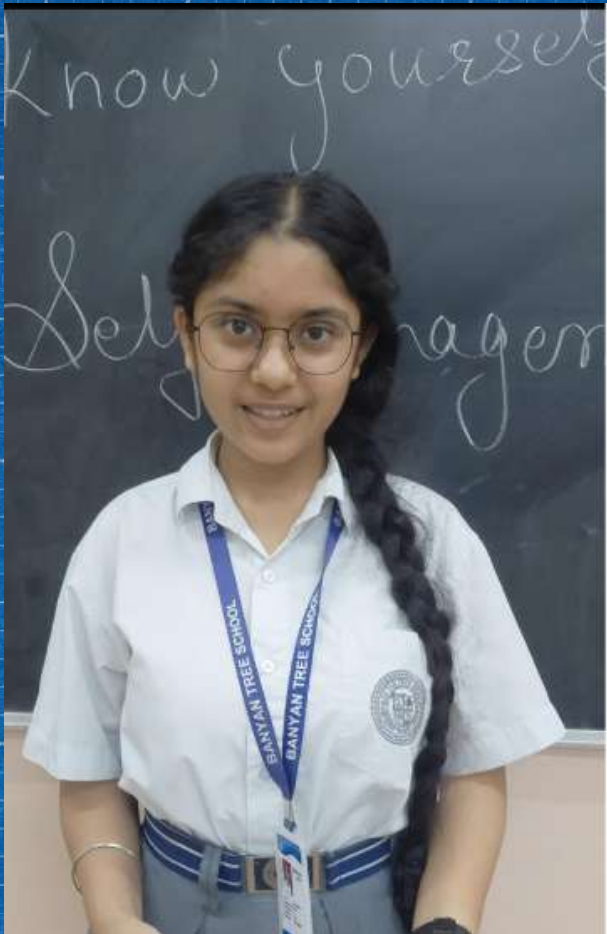

Know Yourself

On August 7, 2026 Grade X students participated in a “Know Yourself” activity as part of the Artificial Intelligence curriculum. Students identified their strengths and areas of improvement, promoting self-awareness and reflection.

Activity
Understanding myself is the first step towards success!

Class/_____
Date/____/____/____

MY STRENGTHS
List the things you are good at.

I am very good at sketching.
I am extremely good at mathematics.
I am always confident and never back down.
I am quite good at singing but sometimes I speak on extremely good English but sometimes I don't know words.

AREAS OF IMPROVEMENT
List the areas where you need to improve.

1. _____
2. _____
3. _____
4. _____
5. _____

MY SMART ACADEMIC GOAL
Set one academic goal for yourself using the SMART method.

S Specific (What exactly do you want to achieve?)
M Measurable (How will you measure your progress?)
A Achievable (Is the goal realistic and possible?)
R Relevant (Why is this goal important for you?)

MOOT COURT

Moot Court Activity was conducted for Grade XI students on August 10, 2026. Through courtroom role-play, students presented arguments and explored legal procedures, developing confidence, communication, critical thinking and reasoning skills.

INDEPENDENCE DAY

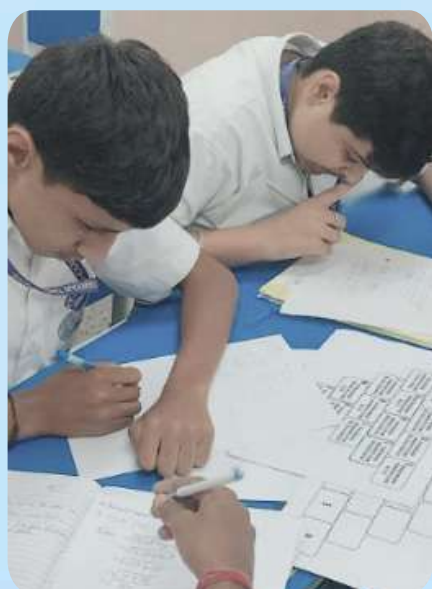

Independence Day was celebrated on August 14, 2026 with great patriotism and enthusiasm. The theme of the celebration was 'Ek Bharat Shreshtha Bharat', highlighting the spirit of unity in diversity and national pride.

Distance Quest: Build the Pyramid

Students of Grade X participated in the 'Distance Quest: Build the Pyramid' activity in five groups. They applied the Distance Formula to solve problems and construct the pyramid using the answer grid. The activity promoted accuracy, numerical reasoning and teamwork.

INVESTITURE CEREMONY

On August 27, 2026 the Investiture Ceremony was conducted with pride and enthusiasm, formally appointing student leaders and inspiring them to uphold responsibility, discipline, integrity and service.

Real Heroes Never Give Up

Grade X C conducted its morning assembly on August 20, 2026 on the theme 'Real Heroes Never Give Up.' Through prayer, news, an anecdote on Dr. A.P.J. Abdul Kalam and poem students learnt the importance of perseverance, courage and resilience.

PARENT TEACHER MEETING

On August 29, 2026 the school conducted a successful Parent-Teacher Meeting providing parents and teachers an opportunity to discuss student's academic progress, behavior, achievements and areas for improvement.
