

# *From the Principal's Desk*

*It gives me immense joy to pen down my thoughts for this edition of the Banyan Tree School Newsletter.*

*Banyan Tree School continues to be the fountainhead of thought and wisdom—a space where students consciously work towards realizing their potential and, more importantly, understanding themselves as individuals.*

*While classroom learning remains central to every school's ethos, what truly sets us apart is our commitment to transforming the entire campus into a joyful, experiential learning environment. When every corner of the school echoes with curiosity and creativity, magic unfolds. Our vibrant students—brimming with iridescent ideas—are set to make this academic year a stunning success.*

*Student-led communities and clubs are gathering momentum. I often catch glimpses of impassioned debates, expressions of dance and discovery, and budding culinary adventures. This dynamic ecosystem of skill-building and hands-on exploration makes learning enjoyable, meaningful, and enduring.*

*My heartfelt wishes to all teachers and students who have so enthusiastically embraced these initiatives. Your spirit shapes our vision and brings life to our shared goals.*

*Warmly,  
Divya Dwivedi*

# The Spring Returns

*With hearts full of excitement and corridors echoing with laughter once again, our school campus came alive as we welcomed our beloved students back after the much-enjoyed summer break. The vibrant smiles, the eager footsteps, and the joy of reunion created a truly heartwarming atmosphere on the very first day.*

*To make the reopening day extra special, a cheerful and festive welcome awaited the students—with colourful decorations, lively music, and warm greetings from teachers and staff. Classrooms were abuzz with stories of vacations, renewed friendships, and a fresh eagerness to learn and grow.*

*As the new term begins, we look forward to nurturing dreams, celebrating achievements, and creating countless cherished memories together. Here's to a year filled with inspiration, innovation, and incredible learning experiences!*

# Road Safety Awareness

*In a spirited celebration of responsibility and awareness, the primary wing of our school (Classes 2–5) came together on 11th July, 2025 to present a heartwarming and thought-provoking Road Safety Awareness Event. With unbridled enthusiasm and a sense of civic duty, the young minds illuminated the path to safer roads through a vibrant display of creativity, performance, and innovation.*

*The highlight of the event was a lively and expressive enactment by the students, who brought to life essential road safety practices with charm and clarity. Through dramatized scenes and vivid role-play, they emphasized the importance of following traffic rules, using zebra crossings, wearing helmets, and steering clear of mobile phones while driving.*

*Taking the initiative a notch higher, the Robotics Club students mesmerized the audience with a futuristic touch — an ingenious demonstration of miniature robotic vehicles navigating a simulated road setup. This interactive showcase provided a visual treat, effortlessly blending education with entertainment.*

*The event stood as a brilliant confluence of creativity and technology, resonating with the voices of responsible young citizens that— safety on the road is everyone's duty, and even the smallest steps taken by the youngest voices can pave the way for a safer tomorrow.*

# Science Quiz & Sugar board Display: Igniting Minds, Inspiring Change

*In a vibrant celebration of curiosity and intellect, our students from class IX to XII orchestrated an Inter-house spellbinding Science Quiz and Sugar-board Display event that left both minds and hearts enriched. The atmosphere resonated with the thrill of discovery and house spirit as young scholars competed in a riveting quiz that traversed the realms of physics, chemistry, biology, and beyond.*

*The competition was structured into four diverse and engaging rounds, each designed to challenge different cognitive skills and raise awareness in a fun yet informative way.*

*Adding a visually impactful dimension to the event, students unveiled their Sugar-board Displays—a creative and thought-provoking initiative designed to foster awareness on pressing scientific and health-related issues. With meticulously crafted visuals, striking statistics, and compelling messages, the displays served as powerful reminders of the role science plays in everyday life—from decoding the dangers of excessive sugar intake to unraveling the marvels of modern innovation.*

*Such initiatives stand as a testament to the transformative power of education—where learning transcends textbooks, and knowledge becomes a beacon for change.*

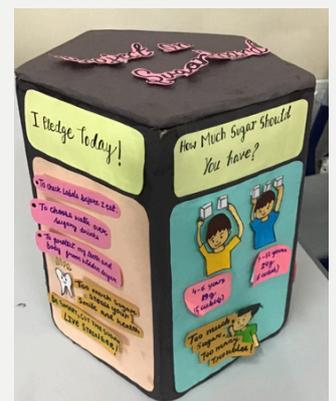

**Round 1: "The Brain Drain" MCQ Round**

**Round 2: "Rapid Fire Blaze"- 60 seconds of madness**

**Round 3: "Picture the Sweet Truth"- Visual Round**

**Round 4: "Speak to Win"- Speech Round**

# Van Mahotsav Celebration

## BOOKMARK DESIGN

*Our young eco-warriors from Grade 3 celebrated Van Mahotsav with creativity and care! Using fallen leaves and flowers, they designed beautiful nature-themed bookmarks, turning nature's gifts into artistic treasures. A joyful reminder to love, respect, and protect our green world!*

## POSTER DESIGNING & SLOGAN WRITING COMPETITION

*Grade IV students participated enthusiastically in the Inter-Class Poster Designing and Slogan Writing Competition based on the theme of forest conservation. With vibrant colors and powerful messages, the young artists showcased their creativity and concern for nature. Their thoughtful slogans and eye-catching posters reflected a strong commitment to protecting our forests and spreading awareness about environmental preservation.*

# Van Mahotsav Celebration

## CREATIVE LEAFY ART ACTIVITY

*As part of the Van Mahotsav celebrations, Grade V students engaged in a creative Leafy Art activity. Using a variety of leaves, they crafted imaginative and eco-friendly artworks. From animals and trees to unique patterns, the students transformed simple leaves into beautiful creations, showcasing their artistic skills and deep appreciation for nature. The activity fostered creativity while reinforcing the importance of preserving our green environment.*
