Dear students,

Winter Vacation is here, Hurray!! Have you started listing all exciting things you will do? Why not have fun with a little bit of learning along the way? So, here's a list of some enjoyable learning activities you can do at the noon time. Do them neatly and submit them after the vacations. Here are the ways by which you can make your holidays fun and learning at the same time:

- Go for a walk, talk about things you see around. Speak in English as much as possible.
- Help parents in small household chores like dusting, cleaning and watering the plants.

NOTE: Do all the assignment in a neat and legible handwriting. Parents are requested to just guide the children to complete the task on their own.
