Winter Holiday Homework
Grade V

AI – GOOD OR BAD

Dear students,

<u>These holidays, let us give ourselves a chance to think out of the box and explore our inner potential to be the change we want to bring in this world.</u>

Students of grade V are assigned with a very important topic to introspect and decide,

AI - Good or Bad

Each student needs to research through relevant sources, discuss with your parents and grandparents, think, make notes, judge looking at both sides of the coin, design your perspective, project your learnings and present your outcomes in the form of a Holiday Assignment.

<u>To guide you in the background, here we have some points to refer to:</u>

You may discuss with your parents about the **history** of AI, important dates of events, different products and their advantages and disadvantages.

Countries which are using AI at its fullest.

Changes in the **life style** due to launch of AI.

What are the benefits and drawbacks if a 'Robot' is your teacher instead of a human?

Showing your **mathematical** abilities, you may include bar graphs, numbers or data to show the growth of AI in last 2 years.

The ongoing products based on AI.

Differentiate the **timeline** by showing the life of before or after AI.

Explain how do AI help us to reduce pollution and design your **imaginative** vehicle which can help in checking pollution.

Can AI or robots replace your friends or family?

Most importantly, what's your **opinion** about the AI? What could be the reasons behind introducing AI?

Above are just a few ideas to portray, its all your **creativity** and vision to give your study a dive in depth.

This is how, you will be convinced and convincing everyone about the fact that what you would prefer, **AI - Good or Bad!**

Now, how to create one single beautiful project on the given topic
"AI - GOOD OR BAD"

All your research work could be presented in "**any one**" of the following modes mentioned below:

1. Power point presentation (10-15 slides)

2. 3D model. (Any size and dimensions.)

All the projects would be exhibited in the school premises.
Students not only need to display but will also be explaining the project in English during presentation. (poem will be presented in the chosen language).
Projects would be judged on the basis of following criteria:
Depth of the research, content, clarity of speech, creativity, innovation & originality of thoughts.
Best ones would be rewarded during the school assembly by honourable Principal Ma'am and will be covered on the social media and various school platforms.

Date of uploading the pictures or soft copies of the final projects: 12th January. (link will be shared by the class teacher)
Date of submission in school: 18th to 20th January.

"What good is the warmth of summer, without the cold of winter to give it sweetness."

John Steinbeck.

Let us spread and share the warmth with everyone around, all you can do is

HELP YOUR COMMUNITY AND EVERY ORGANISM DURING WINTER WEATHER
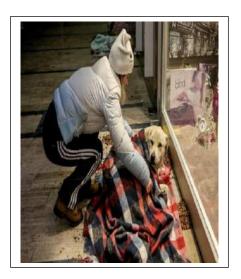

DONATE YOUR WARM CLOTHING
pack nicely and gift to the homeless and needy.

HELP STRAY DOGS AND COWS WITH WARM BED AND BLANKETS FOR SURVIVAL

DELIVER HOT MEAL TO THE HOMELSS

WHEN TEMPERATURES DROP, BE SURE TO CHECK IN ON YOUR NEIGHBOURS, ESPECIALLY OLDER ONES.

Wonderful winters!!
